

Book Club Book Swap

Looking for your book club's next great read?

The Shalimar Library offers a **Book Club Book Swap** for local book clubs. Bring in a set your group has finished and exchange it for another available title.

How It Works

1. **Bring** four or more copies of a book your club has read.
2. **Swap** them for a set of four or more copies of the same title from our Book Swap shelf.
3. **Read & Discuss** your new selection with your group.
4. **Repeat** when you're ready for another book!

 **Interested? Ask a Shalimar Library volunteer about the Book Club Book Swap during your next visit.**
